TAKE PART IN AN EAUCTION

1 digiBuy | Auction

How are you warned?

Go to the auctions for which you are invited.

The screenshot shows the 'Consultations' menu with 'Demandes d'info et de prix' and 'Réponses aux enchères' options. A table titled 'Gérer les Projets Achats' displays one auction entry with the following details:

Avancement réponse	Projets achats	N° de Lot	N° de Round	Libellé	Statut RFx	Temps restant	Date de début	Date de fin	Mon offre	Forum
●○○○ NDA à envoyer	RFQ000231	1	1	eee	Ouvert à la saisie	20j 10h 19min 34s	10/12/2020 13:37:10	31/12/2020 00:00:00	0,00 EUR	

1 Auctions can be accessed via the Consultation - Auction Response menu

2 All auctions are listed on this grid

3 You can use filters to search for one or more specific bids.

4 The request is also sent by email and contains a redirect link to the vendor portal.

The 'Manage Auctions' page features a search filter with 'Keywords' and 'Status' dropdowns. A dropdown menu for 'Status' is open, showing options: 'Open', 'Auction in progress', and 'Closed'. Below the search bar is a table with the following data:

ID	Auction	Lots	Start date	End date	Status
4	test auction laurent	1	10/5/2020 12:30:00 PM	10/5/2020 12:45:00 PM	Closed

Sujet
Publication de l'enchère {auc_label_subject}

Corps du mail ⓘ
Bonjour {\$contact_lastname} {\$contact_firstname},
L'enchère {auc_label} commençant le {auc_start_date} UTC vient d'être publiée aux fournisseurs. Vous êtes invités à vous y connecter via l'url suivant : {auc_url}

Cordialement,
{auction_leader}

The auction begins

Take part in the auction

The screenshot shows the auction interface for 'Frame agreement transmitters (Open)'. It includes a header with 'EUR Euro (EUR)' and a 'Send a message' link. A table lists auction details for 'Lot 1'. Callout 1 points to the 'Status' column, callout 2 points to the 'Bid' button, and callout 3 points to the 'My rank' and 'Best bid' columns.

Lot	Start date (UTC+1)	Planned end date (UTC+1)	Remaining time	Status	Current amount	My bid	My rank	Best bid	Best supplier
Lot 1	12/10/2020 3:45:00 PM	1/23/2021 12:00:00 AM	43d 8h14m58s	Auction in progress	-	-	-	-	-

1 The auction is ongoing

2 You can bid

3 The ability to see your rank, best bid, best supplier or bid diagram depends on the bid configuration.

A. ENGLISH AUCTION

1.a digiBuy | English Auction

Take part in an English auction (best price)

- An English auction is a dynamic top-down auction
- The supplier can only offer a better offer than the best current offer
- If no competitor contests the bid within a given time frame, the supplier wins the auction.

1.a digiBuy | English Auction

Take part in an English auction (best offer)

- Declining bid
- The supplier can only offer a better offer than the previous one.
- He knows his position in relation to the best current offer
 - Regarding its price compared to the current best price
 - Regarding its ranking in relation to the first

B. DUTCH AUCTION

1.b digiBuy | Dutch auction

Take part in a Dutch auction

- Rising bid. Depending on the buyer's parameters, the bid starts at a low bid and then gradually increases at fixed intervals until the reserve price is reached.
- Before the reserve price is reached, if a supplier places an offer for the item, it is awarded to the supplier and the e-Auction ends.

1.b digiBuy | Dutch auction

Take part in a Dutch auction

- The first supplier to bid wins the auction

C. JAPANESE AUCTION

1.C digiBuy | Japanese auction

Take part in a Japanese auction

- The auction organizer indicates an opening price
- | | |
|----|----|
| S1 | S2 |
| S3 | S4 |

 must accept this price level or withdraw from the auction. Acceptance indicates that the participant is willing to provide at the stated price.
- When all participants respond to a certain price, the software lowers the price level by a predetermined amount and again asks participants to accept or refuse the new price level.
- This type of auction continues until there are no more entrants bidding

1.C digiBuy | Japanese auction

Take part in a Japanese auction

- Click  to indicate your willingness to make an offer

Confirm participation ✕

Supplier : ALLIANT TECHSYSTEMS OPERATIONS LLC Lot : LOT 2

By clicking, you confirm that you participate in this reverse Japanese auction.
You will have to click the "Drop out" button if your price limit is reached and you wish to quit the auction.

If you do not drop out, you will win the auction at the price limit of the last bidder, or if need be, at the price reached at the auction's end date.
